<p>Notes</p>	<ol style="list-style-type: none"> 1. Students wishing to enroll in "Independent Studies in Physics" and/or "Independent Studies in Special Topics" must have a discussion with their advisor and complete this form before the third-year course registration. The form needs to be returned within two weeks after the start of the third-year fall semester. 2. For students in the general group, the final public oral defense for the thesis project in the fourth year are encouraging learning activities and not absolutely necessary options. Students can discuss with their advisors whether to participate in this activity. However, students in the English group must participate in writing the graduation thesis and the final oral defense in the second semester of the fourth year. 3. The registration form takes effect immediately after the Unit Head's signature. Changes to the form are not allowed before the thesis defense without the agreement of both the advisor and the Unit Head. 4. If there are two or more advisors, all advisors must sign. 5. If changing advisors or research direction, this form must be filled out again with the updated information under the change details and returned to the department for archiving. 6. If there is insufficient space on this form to fully detail the advisor's requirements, students may add supplementary content. After signatures

	<p>from both the advisor and the student, the additional content should be submitted to the department for archiving.</p>
